

WELCOME / THE REGISTER

Good morning, welcome to Harvest, we are so glad you're here. My name is Ray, I'm one of the elders here. Like I said we are glad that you are here and we'd love to know that you're here. On the ends of the aisle you will find a black notebook, we call that our register. Please pick that up, fill it out, and send it down the aisle. This lets us know that you're here, and gives you a chance to write down prayer requests so that we can be praying alongside you. Our staffs gets together and prays over these requests every Monday morning.

While you continue fill those out I have just a few announcements to share with you all this morning:

STEP 1

Next week we are having Step 1 after both of our services. IF you are new or just want to learn a little more about Harvest this is the place for you. It's just a short 15 time to meet some of our leadership and staff and hear a little more about what Harvest is all about. If that's not enough we will also have some coffee and donuts for you. You don't need to sign up just follow the red signs right after the service. Childcare is provided by Harvest Kids.

HARVEST WOMEN NIGHT OF WORSHIP

This next one is for our Ladies. We are having a Women's night of worship on Thursday, December 1st from 7-9pm at the church office. This will be a powerful night of worship and scripture, you don't want to miss it.

CHRISTMAS

Lastly, as you finalize your holiday plans with friends and family, make plans to join us on Christmas Eve for a family service 6pm at Thomas Jefferson Middle School. There will be no services on Sunday, but instead a family devotional for you to do at home with your family.

OFFERING

At this time, I'd like to call the ushers down as we continue in worship with our tithes and offerings. As they come down let's pray together.
