

LIFE GROUP QUESTIONS

WEEK OF MAY 1, 2016

CURRENT SERIES: I AM
JOHN 11:1-44

1. What does Jesus mean when He calls Himself the Resurrection and the Life?

2. **Jesus is coming, despite what the clock says (v 1-16).** Think back to a time in your life where you fervently were praying to the Lord for Him to "come through" for you. ***How did the situation turn out? Did it turn out differently than you thought? How can you apply this to your current situations in life?***

3. **Jesus is caring, despite what the critics say (v 17-37).** ***What truth about Jesus do you know intellectually but have a hard time applying to your day to day life? How do your actions either affirm or deny this belief?*** In times of distress it can feel like you are alone and abandoned. List the ways that Jesus has shown His love to you.

4. **Jesus is calling, despite what the circumstances say (v 38-44).** ***What is Jesus calling you to lay at His feet and wait and watch Him work on?***
