### James: The Gospel at Work

#### Part 2 - Hearing Done Right

#### James 1:19-27

1. Do you have a problem with an unwillingness to listen, talkativeness, or a quick temper? How can you work at being quick to hear, slow to speak, or slow to anger?

2. What might cause a person to forget to do what the Word says? Why is it easy to listen to God's Word without doing what it says? How do we guard against this?

3. Make a list of both the negative and the positive instructions James gives in 1:19-27. What can you do this week to be a doer of this truth, acting on it and beginning to make it a habit?

4. List some of the differences between worthless religion and pure, faultless religion (1:26-27). What is the point that James is trying to make?

#### Possible Question for Breakout:

- How do you see the truth from this passage already at work in your life?
- What regular steps do you take to hear and study the word? Is this an area you need to grow in?
- Is there anyone you are angry with? How can you apply Matthew 5:38-48 and 6:14-15?
