

LIFE GROUP QUESTIONS

WEEK OF JANUARY 10, 2016

REFRESHED BY GRACE

2 TIMOTHY 2:1-9

1. What is the connection between being strengthened and the grace that is in Jesus? Where else in Scripture do we see these two things connected? What does this teach us about grace?

2. Timothy was instructed to teach what he learned from Paul to others who in turn could teach even others. Why is this an important instruction for Timothy and an important part of the church today?

3. What are the primary points of application from each of the three examples of the soldier, athlete, and farmer? Which of these principles can you apply this week?

4. We are instructed to remember Jesus Christ risen from the dead. Why did Paul say this at this time? What is the result of “remembering” Christ’s work? How can you do this in a practical way?

5. One of the pillars of our church is to “Proclaim the authority of God’s Word without apology.” How does 2 Timothy 2:9b give weight to this pillar? In what ways to be prove or disprove our belief that the word of God is not bound?

Spend some time in a group praying for our church. Pray for John and Daisy and the kids. Pray for wisdom and direction our elders, pastors, staff and other leaders. Pray that nothing would take away or hinder glory being given to God and His name being lifted up.
